Dear Classmates,

Let's face it - you're all busy and life is crazy!! You *need*, you *deserve*, and you've *earned* a break! We want you to take that break with your friends from the Fabulous Class of 1978 by returning to Cambridge this Columbus Day weekend! Come enjoy good food and music in stately surroundings. Hear from a US governor, the general counsel for the McCain campaign, the executive producer of Face the Nation, and a national radio talk show host - all moderated by a former campaign manager. Learn about cutting edge medical research. Hear from an expert panel on green technology. Attend Life-Experience Seminars and learn from each other about topics important to you (personal finance, sexuality, health and healing). Participate in our first ever 'Career-Discovery Day' and provide today's students with some knowledge we wish we'd had thirty years ago. Watch the Harvard football team crush Cornell. Enjoy yoga. Take a trip around Boston on a Duck Boat or a bicycle.

You can find updated details about all Reunion happenings on our own little "electronic village"-our Class Web site: www.hr78.org. There you can register online, find hotel information, experiment with the Reunion Ride link, take the Class Survey, and check out the list of classmates who plan or hope to attend.

Finally, please consider a gift to the Class Reunion Subsidy Fund to help classmates having a particularly tough year attend the reunion. In keeping with our blizzard theme, any money not used to help a classmate will be donated to the Kids Clothes Club, a non-profit organization providing new, warm winter coats to children in need. Visit their web site at www.kidsclothesclub.org/home.htm for more information.

Bring your smiles and your stories to Cambridge in October, 2008! When all is said and done, let's do what we have always done best: PARTY!!!!
